

Students are almost out of school and for the next two or three months they won't have to worry about what to eat for breakfast or lunch.

The Yuma Union High School District is having their annual No Cost Summer Food Service Program for students ages 18 and younger. Students do not need any registration or student ID to receive a free meal and are encouraged to bring their friends and family.

Adults are also welcomed to enjoy these meals, costing them a few dollars to enjoy.
